### Special Thanks

#### Jill Weiss

Jill is the sound engineer for Talking Hoosier History. She does everything from set up the recording equipment to selecting the music featured in each episode as well as actually mixing. Without Jill, Lindsey would just be sitting in an empty room talking to herself about history.

**Justin Clark**

Justin is a project assistant with the Hoosier State Chronicles newspaper digitization project who was recently awarded a two year grant for further work in newspaper digitization! He is also the voice of newspapers here on Talking Hoosier History. If you're interested in reading historical newspaper articles or the many wonderful blog posts Justin has researched and written using those newspapers, visit Hoosier State Chronicles online.
